Pros and Cons Of 2023 FAFSA Changes

Pros

More resources for low-income families

Easier to qualify for PELL

Less Questions; ~100+ questions vs ~35 questions

Child support treated as asset, NOT income

Some untaxed income eliminated from formula

- Workman's Comp, Veteran Benefits, 401(k) & 403(b) pre-tax contributions, "other" untaxed income

Cons

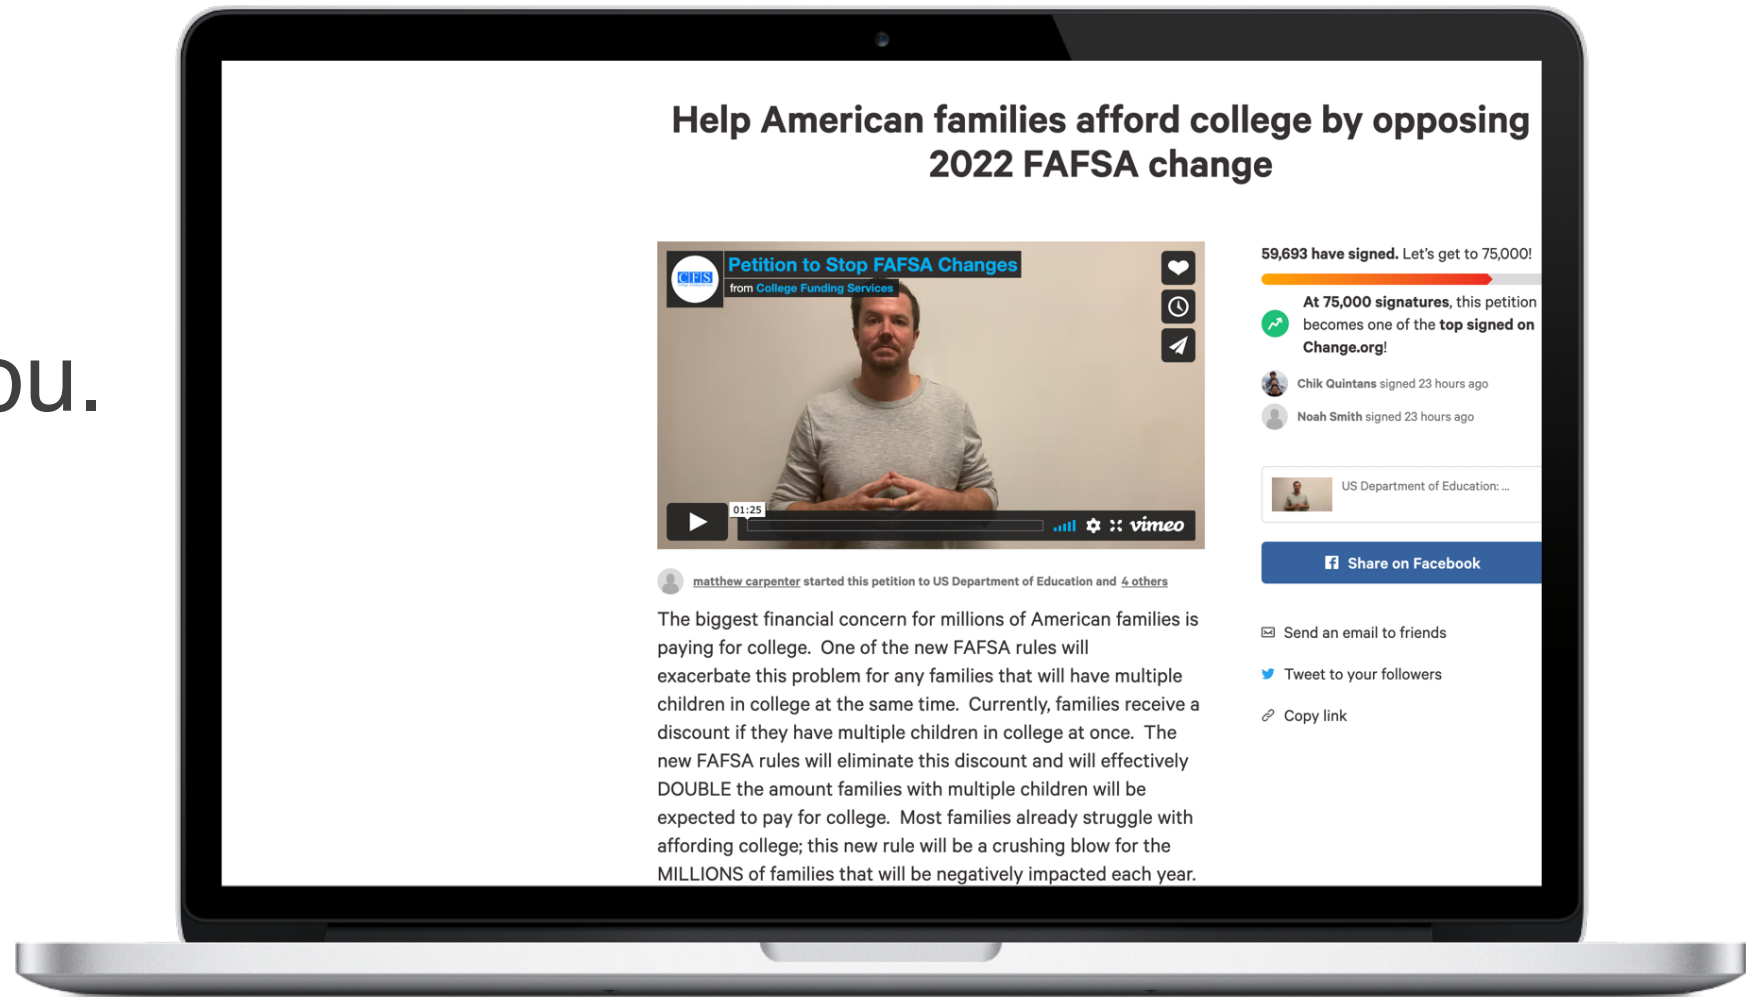

Families with multiple children in college will no longer receive discount

Parent that provides the most financial support in 2-household families will be required to complete FAFSA

- Previously completed by custodial parent/s

Deductions/payments to self-employed SEP & SIMPLE plans and other deductions delineated on the 1040 are STILL considered untaxed income.
